## FORFEITURE

- Must find juvenile alone is able to pay forfeiture
- Maximum amount of the forfeiture:
  - Amount allowed for adults, or
  - If only applicable to juveniles: \$100
- Penalties for failing to pay:
  - Suspend hunting or fishing licenses for not less than 30 days and not more than 5 years [Wis. Stat. Sec. 938.34(8)]
  - Suspend driving privileges for not more than 2 years [Wis. Stat. Sec. 938.34(8)]
- Some counties: set case for review when youth turns 18 or 19 and issues a tax intercept

## FORFEITURE

- Commitment Order for Non-payment of Fine/Forfeiture (GF-148)
  - Not appropriate to use for juvenile forfeitures, even once the "juvenile" turns 17 or 18 years old
- Ch. 938 does not provide authority for using juvenile detention or jail as a sanction for nonpayment of forfeitures in delinquency or juvenile ordinance cases [Wis. Stat. Secs. 938.17(2)(d), 938.343(2) & 938.34(8)]

## FILING FEES - GUARDIANSHIPS

- The court may not require a non-parent petitioner to pay a deposit or pay GAL fees in a Wis. Stat. Sec. 48.9795 guardianship case
- Grandparents or stepparents seeking visitation in a new or pending guardianship case are required to pay a \$60 filing fee [Wis. Stat. Secs. 48.9795(12), 814.61(13m)]
- Grandparent visitation under Wis. Stat. Sec. 48.9795 requires one or both of the parents to be deceased

## JURY TRIAL FEE

- Counties may collect a jury fee for a jury trial in a CHIPS or TPR case
- The fee is \$6 per juror
- Jury fees are part of the Code of Civil Procedure (Wis. Stat. Sec. 814.61(4)), and case law holds that the Code of Civil Procedure applies to CHIPS and TPR cases unless a different procedure is specifically provided in Ch. 48
- Parent may petition the court to waive the fee using circuit court form [CV-410A](#)
- However, not all counties collect a jury fee in CHIPS and/or TPR trials

POLL  
QUESTION

- Does your county collect jury trial fees for CHIPS cases?

POLL  
QUESTION

- Does your county collect jury trial fees for TPR cases?

## POLL QUESTION

How are the GALs in juvenile cases paid in your county?

- A. Hourly
- B. Flat fee per case
- C. Flat fee per year
- D. Per county contract
- E. Another way

## GAL FEES

- Wis. Stat. Sec. 48.235(8)(b) & 938.235(8)(b) - the court may order the parents to pay GAL fees, but may permit exceptions for indigency or unfairness
- [CV-410A](#) - Petition for Waiver of Fees & Costs Affidavit of Indigency (use of this form is optional)
- Wis. Stat. Sec. 48.235(8)(a) & 938.235(8)(a) - GALs shall be compensated at a rate court deems "reasonable".
  - Current Supreme Court Rule sets rate at minimum of \$100, unless different contract rate
  - The court may order the county to pay the GAL fees - but not at a rate higher than \$100 per hour (rate of a private attorney under Wis. Stat. 977.08(4m)(b))

## GAL FEES - MINOR GUARDIANSHIP CASES

- Reimbursement of GAL fees – Wis. Stat. Sec. 48.235(8) – the court may order the parents to provide reimbursement for the GAL fees, but it is not required
- In guardianship cases, if the statutes do not specify how the GAL fees are paid, it falls to the county to pay the GAL fees

"...where a guardian ad litem is appointed by a court to represent an indigent minor and no specifically applicable provision for payment of fees appears in the statute, the county of venue must pay those fees." See *Romasko v. Milwaukee*, 108 Wis. 2d 32, 321 N.W.2d 123 (1982) and s. 757.48(2)

## GAL FEES - PRIVATE ADOPTION

- Court can order proposed adoptive parents to pay the GAL fees in a private uncontested TPR or adoption case [Wis. Stat. Sec. 48.235(8)]
- In cases of indigency, the court may order the county to pay the GAL fees in whole or in part

## LEGAL FEES - SPD for YOUTH

Q: In a delinquency case, can a county charge the parents for their child's public defender appointment?

A: Yes, unless the court finds that the interests of the parent and the juvenile are substantially and directly adverse and reimbursement would be unfair to the parent [Wis. Stat. Sec. 938.275(2)]

- Reimbursement payments shall be payable to the clerk of courts and transmitted to the county treasurer [Wis. Stat. Sec. 938.275(2)(d)]

## SPD RECOUPMENT

- Follow previous CCAP2 procedure
- Procedure:
  - Go to Reports
    - Click on Special
    - Click on Financial
    - Click on Juvenile Legal Fee Recoup
- Fill in the screen
- For "Prepared by," enter your name
- Print, sign, send to SPD's office (terbrakw@opd.wi.gov) or follow county procedure

## SPD RECOUPMENT

**Q: Our county only completes an Order for Recoupment of Costs of Legal Services (JD-1762) at the initial delinquency finding. The form also indicates other instances (e.g., requests for revision/extension/change of placement/perm plan review). Can this order be completed for those times as well?**

**A:** Yes. Wis. Stat. Sec. 938.275(2) does not limit recoupment to pre-disposition representation. It states, "If the state or a county provides legal counsel to a juvenile subject to a proceeding under Wis. Stat. Sec. 938.12 or 938.13..." [see also Wis. Stat. Sec. 48.275]

- [JD-1762](#) - Order for Recoupment of Legal Services
- [JD-1762A](#) - Public Defender Response to Parent Request for indigency.
- [JD-1763B](#) - Order on Parents Request for indigency

## POLL QUESTION

In your county, does the court issue an Order for Recoupment of Costs of Legal Services for counsel provided to the juvenile in post-dispositional proceedings?

- A. Yes, routinely
- B. Yes, occasionally
- C. Never
- D. I don't know

## LEGAL FEES - COURT APPOINTED PARENT'S COUNSEL

- Parents can obtain counsel when:
  - Counsel is appointed at county expense at the court's discretion
  - Through the SPD 5-County Pilot program (Wis. Stat. Sec. 48.233)
  - In WICWA cases through the SPD

## TITLE IV-E REPRESENTATION PROGRAM

Circuit Courts can receive Title IV-E funding for county appointments of GALs for children and attorneys for parents

- Rate for 2025: 24% for CHIPS and 41% for TPR cases (publicly filed)
- Can recoup money from parents or other parties on a case-by-case basis
- Application due October 25, 2024
- Each court must have agreement with county agency (federal funding will pass through the agency to the court)
- This is a non-competitive grant
- <https://dcf.wisconsin.gov/title4e>

## POLL QUESTION

- If your county uses an indigency standard when determining whether a parent should be ordered to pay GAL fees, how is this determined?
  - 1. Statement of Income, Assets, Debts and Living Expenses (JD-1718)
  - 2. Petition for Waiver of Fees and Costs - Affidavit of Indigency (CV-410A)
  - 3. County-created form
  - 4. Court questions parent verbally
  - 5. Other

## DRAFTING - ORDER TO COLLECT LEGAL FEES

- Orders for Recoupment of Costs of Legal Services for Public Defender fees –
  - Parent 1 and Parent 2 are auto-populated with the names of the mother and father. However, if dad's party type is listed as "adjudicated father," his name will not auto-populate. I have to change the party type to "father" to get his name to show up (and change it back to "adjudicated father" when I'm done). Can this be changed?

## PARENTS' CONTRIBUTION

- Under Ch. 938, when a juvenile is held in custody, parents can be ordered to contribute towards the cost of custody
- If a juvenile is found to be delinquent, or in need of protection or services, parents can be ordered to contribute towards the cost of post-adjudication services, including placement, in proportion to the amount the parents are able to pay [Wis. Stat. Sec 938.275(1)]
- Under Ch. 48, if a child is found to be in need of protection or services, parents may be ordered to contribute towards the cost of post-adjudication services [Wis. Stat. Sec. 48.275(1)]

## CIVIL JUDGMENTS

- Circuit Court forms:
  - Notice of Intent to Enter Civil Judgment for Restitution, Forfeiture, or Surcharge ([JD-1758](#))
  - Petition for Judgment Against Juvenile/Parent for Unpaid Restitution ([JD-1759](#))
  - Petition for Judgment Against Juvenile/Parent for Unpaid Forfeiture/Surcharge ([JD-1760](#))
  - Judgment for Unpaid Restitution/Forfeiture/Surcharge ([JD-1761](#))
- Victims (or insurance company) may seek civil judgment against juvenile or parents for restitution
  - Petition must be filed no later than 1 year after expiration of DPA, consent decree, or dispositional order [Wis. Stat. Sec. 895.035(2m)(a),(b)]

## CIVIL JUDGMENTS

- If there is not an existing JV or JO case, the clerk would use the JJ (Juvenile Judgment) or TJ (Transcript of Judgment) case type when a petition for a civil judgment is filed with the court
- A garnishment cannot be done in a delinquency case. Instead, a SC or CV case should be opened, depending on the amount to be collected, using the appropriate garnishment class code.

## DEBT COLLECTION

- The money judgment against the juvenile is no longer confidential once the district attorney, corporation counsel, municipal attorney, etc. obtain a judgment against the juvenile/parent and the judgment is entered and docketed
- A money judgment against a juvenile is a civil judgment and therefore a public record
- The juvenile record, however, still remains confidential

## DEBT COLLECTION

### What CAN a clerk do?

- Convert a debt to a judgment and docket the judgement before referring to SDC
- Suspend a debtor's license before referring to SDC

### What can a clerk NOT do?

- Refer the debt to SDC and then convert it to a judgment
- Garnish wages after referring the debt to SDC
- Send collection letters after referring the debt to SDC

## DEBT COLLECTION

Q: How long should clerks try to collect a debt?

A: While it is important to collect a debt owed to the court, be mindful of public relations in your community as well

## DEBT COLLECTION

Q: Can SDC collect a debt on an expired judgement?

A: Yes. A judgment is not actually required to collect a debt. A judgment can be ordered by the court to collect on a debt, but it is not required

Judgements themselves do not contain an expiration date. In general, court-ordered debts do not expire, however the law only allows collection for up to 20 years [Wis. Stat. Sec. 893.40] SDC has now matched this policy and has been returning debts that are older than 20 years

### Statewide Debt Collection (SDC) User Guide:

- How long will SDC collect?
  - Typically, until paid in full or after five years of being at DOR with no recent transactions
  - SDC also reviews debtors and may stop collection before five years if they deem the debt uncollectible
  - While there is no time restriction on when debts can be sent to SDC, it is recommended that a referral is made sooner rather than later

## DEBT COLLECTION

- If a clerk refers a debt to SDC, can the clerk also try to collect the debt?
  - If a debt is with SDC, the clerk cannot take another collection action, like sending to tax intercept), BUT they can collect money if a debtor wants to make a payment.
  - “The debtor should make all payments directly to the Wisconsin Department of Revenue (DOR) if their debts have been turned over to State Debt Collection (SDC). However, if the debtor visits the courthouse to make a payment, the clerk has the option to receive the money and send it to DOR. You are required to report that payment to SDC so they are aware in addition to sending them the money. There is helpful documentation on this and other SDC workflows on <https://wicourtshelp.zendesk.com>”
