Consent to TPR - Judicial (ICWA)

IW-1637

- This form is used by either parent of an Indian child who consents to a voluntary termination of parental rights.
- It must be signed in front of a judge, accompanied by a written certification by the judge, and approved by the GAL.
- Code: CTPRJ consent to TPR judicial

POST-TPR

Statewide (except Milwaukee)

- TPR order transfers case and guardianship of the child to DCF.
- DCF contracted adoption agencies provide case management and adoption services, not the county agency.
 - Lutheran Social Services (LSS) and Children's Wisconsin

Milwaukee / DMCPS

- Milwaukee County does not transfer the case.
- The case remains with the same contracted agency - WellPoint or Children's Wisconsin.

CERTIFIED TPR ORDERS

- When there is a public TPR (filed by Corporation Counsel, the DA's Office, or the county agency), a certified copy of the TPR order must be sent to the DCF Public Adoption Agency. § 48.43(4).
 - Certified TPR orders should be sent to the DCF Public Adoption Agency.
 - Addressses can be found in the TPR orders form summaries.
 - Milwaukee TPR order is provided to the worker that stays on for the adoption case.
- The DCF Public Adoption Agency should also receive notice of any post-TPR change in placement, post-TPR permanency plan hearing, or Notice of TPR appeal when DCF is the guardian of the child.

WITHDRAWING PARENTS FROM TP CASE

- Unless there is a local court rules, we recommend withdrawing parents 30 days post-TPR.
 - This will allow the TPR orders to be filed, for attorneys to submit any bills, and for the parent/parent's attorney to e-file any Notice of Intent to Pursue Postdisposition or Appellate Relief.
- A terminated parent should <u>not</u> receive notice of any post-TPR permanency hearings or post-TPR changes in placement.
- If an attorney needs to opt in to review the TPR case before filing the appeal, the attorney should be added as "other" and only be given access for a short time.
 - Post-TPR permanency plans and changes in placement should be restricted from "other" parties.

JUDICIAL CHECKLIST – POST-TPR PERMANENCY HEARING

A Permanency Hearing is a critical event where the court must assess the appropriateness of a child's permanency goal and progress towards that goal. This checklist is designed to highlight key questions that the court should ask at every Post-Termination of Parental Rights Permanency Hearing to elicit more detailed information.

AT EVERY PERMANENCY HEARING:

- 1. Address appearances, written information and youth consultation:
 - Are all parties and participants present, including the child? If not, did they receive proper notice?
 - ☐ Is the hearing timely?
 - ☐ Have you consulted with the child? What is the child's opinion about the proposed plan?
 - If child is 14 years or older, was the child consulted by the agency in preparation of the plan? Did the agency describe the programs and services for transition from out-of-home care to successful adulthood?
 - If the child is an Indian child, have you consulted with the Indian child's tribe?
 - If the child is not present, why not? When did the guardian ad litem (GAL) or adversary counsel consult with the child? What is the child's opinion about the proposed plan?
 - Were any written statements submitted? If so, have they been distributed to all parties?
 - Would the child's caregiver like to make a statement or submission in writing?
 - Would the Indian child's tribe like to make a statement or submission in writing?
 - ☐ Has everyone received a copy of the Permanency Plan and any additional reports?

2. Examine the child's current placement:

- Does the current placement remain necessary, safe, and appropriate?
- ☐ Does the current placement meet all the child's physical, emotional, and educational needs?
- Does the child have opportunity to participate in age or developmentally appropriate extracurricular, enrichment, cultural, and social activities?
- How does the child feel about his or her current placement?
- Is the child placed with a relative? If not, why?
- Has the agency searched for relatives and examined them as potential placements or adoptive resources? If not, why?
- If the child has siblings, are the child and siblings placed together? If not, why?
- If the siblings are not placed together, are they spending time together? How often and in what setting? How is the sibling interaction going and is it appropriate and sufficient?
- If this case is subject to the Wisconsin Indian Child Welfare Act, is the child placed in accordance with the placement preferences under Wis. Stat. § 48.028(7)?
 - If not, is there good cause to depart from the order of preference?
 - If not, what efforts have been made in the last six months to locate a placement that meets the preferences?

3. Review the child's post-TPR placement status and permanency goal(s):

- How long has the child resided outside the home?
- What is the proposed permanency goal and concurrent permanency goal (if any)?
- Why is this goal in the child's best interests? Is this goal appropriate?
- How will this goal provide stability and permanency?

4. Evaluate progress made to address service needs of the child:

- What services has the agency offered or provided? Are services available? Are there additional services that should be offered to the child?
- Have adequate efforts been made to involve appropriate service providers?
- Have the agency, service providers, identified permanent resource, and child complied with the permanency plan?
- If this case is subject to the Wisconsin Indian Child Welfare Act, has the agency engaged in active efforts under Wis. Stat. § 48.028(4)(g)? [The agency should also indicate which activities are not applicable due to the TPR.]

5. Review the child's progress toward permanency:

Does the child have an identified permanent resource?

An Identified Permanent Resource Currently Exists:

- □ Is the child placed with the identified permanent resource? If not, what are the barriers?
- If this case is subject to the Wisconsin Indian Child Welfare Act, does the resource meet the placement preferences under Wis. Stat. §48.028(7)?
- If the Indian child's resources does not meet the placement preferences under Wis. Stat. §48.028(7), what efforts have been made in the last six months to locate a placement that meets the preferences?
- ☐ Is the resource appropriate and willing to serve as a permanent family to the child?
- ☐ What is the likelihood of adoption or guardianship finalization?
- ☐ Has the home study been completed and approved? If not, what are the delays?
- Has the adoption or guardianship finalization paperwork been completed (including subsidy agreements)? If not, what are the delays? Is a TPR appeal pending?
- ☐ Has the adoption or guardianship petition been filed? If not, what is the date it will be filed?

An Identified Permanent Resource DOES NOT Currently Exist:

- ☐ Is the agency making reasonable efforts to locate permanent resource? If not, why?
- What recruitment efforts have been made to locate a permanent resource? If no efforts have been made, why?
 - ☐ Has a relative search been completed? If not, why?
 - Was a Child Description for Adoption Recruitment completed? If not, why?
 - If a Child Presentation Meeting was completed, what was the response?
- Is the child photolisted? If not, why?
- Does the child have a video recruitment? If not, why?

Other Planned Permanent Living Arrangement (OPPLA) (age 16 or older only):

- Has the agency made intensive and ongoing efforts to place the child for adoption or guardianship, and have those efforts proven unsuccessful?
- Why is OPPLA the best permanency goal for the child?
- Have compelling reasons been documented as to why it would not be in the child's best interests to have one of the other permanency goals?
- Does the child have regular, ongoing opportunities to engage in age or developmentally appropriate activities and is the caregiver applying the reasonable and prudent parent standard?
- Does the goal include an appropriate, enduring relationship with an adult?

6. Schedule next hearing.

Public Adoption Guide

This resource provides a high-level summary of the work completed by public adoption agencies post-Termination of Parental Rights (TPR). Each box highlights a component of the case prior to an adoption finalization.

TPR

The county, excluding Milwaukee county, refers the case to the adoption agency prior to the filing of the TPR.

Child's name, parents' names, and birth dates must be correct or TPR order must be amended before adoption finalization.

If the child is not living with the adoptive resource at TPR, a resource must be found by the adoption agency.

Adoptive resources may not feel prepared for adoption, and need support to move to adoption.

Case Transfer

Case Management

Adoption worker provides services and support post-TPR until adoption finalization.

The adoption worker must work with the child to ensure they are prepared for adoption.

Pre-adoptive **Training**

Home Study Adoptive Resource

Adoption agencies work with counties to update foster care home studies for adoption.

Adoption Finalization Preparation

Adoption Assistance eligibility reviewed and agreement finalized with DCF.

family have information and services in place post-adoption - not all services are available outside of foster care.

The identified pre-adoptive parents are not approved for adoption and a new identified permanent resource must be found.

LEGAL ISSUES:

The Termination of Parenta Rights case is appealed by

The TPR case is remanded back to the Circuit Court for further proceedings.

The TPR Dispositional Order must be amended to correct the child's name, the parents' names, or birth dates prior to adoption finalization.

FAMILY IS NOT READY FOR ADOPTION:

The pre-adoptive parents have not completed adoption requirements, such as paperwork or pre-adoptive training.

The child or family needs additional services or resource prior to adoption finalization.

The child leaves the home for treatment at a residential facility.

The pre-adoptive parents disagree with the adoption assistance rate.
